

American Petroleum Institute Four Corners Chapter

2024 API Scholarship Golf Tournament Platinum Sponsorship Request

The American Petroleum Institute is a Non-Profit Organization, Tax ID # 85-0294523

From: Kaye Jennings, API Scholarship Golf Tournament Chairperson

The Four Corners petroleum industry supports our local schools and jobs here in the San Juan Basin. These are the people who make up a key segment of your patronage. The Four Corners Chapter of the API is a non-profit local service organization of oil and gas professionals affiliated with the national API. We are dedicated to providing forums for promoting the exchange of information on industry issues, technology, and operational experiences.

The Four Corners Chapter of the American Petroleum Institute strives to give back to the community through the financial support of potential and current university students via annual, renewable undergraduate academic scholarships. Each year, thanks to the hard work and dedication of its members and generous industry donations, the Four Corners Chapter of API can offer a select number of scholarships to students in undergraduate degree programs. The application is open to all potential and current undergraduate students planning to or currently attending an accredited post-secondary institution.

For more than 20 years the API Four Corners Scholarship Golf Tournament has been the largest fundraising event for the API Scholarship Program. Money raised from this event funds students in the San Juan Basin who want to pursue a career in the petroleum industry. This tournament is well known throughout the industry and is the premier event annually in our community.

The Four Corners/San Juan Basin has changed significantly in the last few years. The API Scholarship Golf Tournament has adapted to those changes substantially. Paramount to the success of this event is the necessity for a Platinum Corporate Sponsor. **Platinum Corporate Sponsorship is exclusive to only one organization each year.** The fee for this honor is \$20,000. The benefit is top billing at the event, a large banner hanging from the club house, your company name exclusively on the ditty bag, four golf teams with preferred tee times, the option of either speaking or being given verbal recognition at the final evening raffle/dinner and a hole location to set up a tent and promote your company. However, the real winners are the students who will receive the scholarship awards.

The Four Corners Chapter of the American Petroleum Institute would like to solidify your company's commitment to being *THE 2024 PLATINUM CORPORATE SPONSOR* of API Four Corners Scholarship Golf Tournament. Can we count on you for that commitment?

We thank you for your patronage.
